To Alex Knowles:

Attached, please find a Commission Directive in Docket No. 2020-40-A. The Directive requested some action by ORS. I did not see where the requested document was ever filed. Would you please check on this? I would appreciate a response by Wednesday, July 22, 2020 at Noon.

Thank you in advance for your consideration in this matter.

To the Parties:

In actuality, the Directive just sent required a filing by Chem-Nuclear as well as one from ORS, and this appears to be missing, as well as the response by ORS. I would appreciate a response also from Chem-Nuclear to this discrepancy by Noon on Wednesday, July 22, 2020.

Thanks again.
